**Women's
Cornerstone Retreat**
January 20-21, 2012

The 5th Women's Cornerstone will take place at Christ the King. During the weekend in a safe casual atmosphere, some of the women from the 2011 Cornerstone will share their stories of faith, love, and community.

There will be a number of opportunities on the weekend to examine your relationship with God, your family, and others in your life. Most of all, it's an opportunity to step out of a daily routine and spend 26 hours with a community of women who share a connection in the parish of Christ the King. Our local parish setting provides a convenient, quiet setting that lends itself to reflection, interaction and spiritual engagement.

To register for this once-in-a-lifetime experience, please complete the registration form and pick up a brochure in the back of the Church.

**Men's
Cornerstone Retreat**
February 3-4, 2012

The 6th Men's Cornerstone Retreat will take place here at Christ the King. Cornerstone is a 26-hour retreat that gives men of the parish an opportunity to reflect on their relationship with God, self, and the parish community. You may only attend as a candidate once in your time at the parish. It has had tremendous success at our parish and others around the country because of the relaxed down-to-earth approach. All men of the parish are invited to attend. We hope that you will consider giving the gift of Cornerstone to yourself or a loved one this Christmas. It's truly the gift that keeps on giving!

Take the first step by submitting the registration form and pick up a brochure in the back of the Church.
